The White One' by Udi Edni at The Stephanie Odegard Collection

Classic, Fresh, Clean and Timeless are just some of the ways to describe Udi Edni's white oil paintings. They make a statement but they won't take over, they'll stand out and yet perfectly blend and match your decor needs. An art piece that seamlessly responds to its environment, and communicates beauty, serenity and simplicity. Using the versatility of the 'non-color' white as a backdrop, Udi uses three-dimensional objects as a centerpiece of each painting. The effect can be subtle or dramatic. It can quietly enhance an environment or give it a distinctive and unforgettable edge. Through Oct. 1, 7 p.m., 305 576 7166. <http://www.thewhiteone.com>
